The Partnership for Aurora-Richland Township Progress (PARTP), a non-profit public charity, is established to support and develop projects in Aurora-Richland Township that will improve the livelihood of the citizens of our community, including renovation of our historic downtown, strengthening our educational institutions, growing new businesses, attracting new families, and increasing tourism to our township. Our goal is for our citizens to have a voice in community affairs; and to engender a greater sense of pride and ownership in this special community.

As a 501(c)(3) non-profit public charity and primary fundraiser for the town and township's revitalization initiative, your gift is very much appreciated and is tax-deductible as a charitable contribution within the limits prescribed by law.
